Scenario

A Service member's permanent duty station (PDS) is Ft. Belvoir, Virginia. He or she is on a TDY in Ft. Hood, Texas, and the Service member's emergency leave destination is Atlanta, Georgia. The city-pair airfare cost from Ft. Hood (the TDY location) to Ft. Belvoir (the PDS) is \$320. The city-pair airfare cost from Ft. Hood (the TDY location) to Atlanta (the leave location) is \$280. Since transportation to Atlanta is less expensive than transportation to the PDS (Ft. Belvoir) the Service member is authorized the city pair airfare cost to Atlanta (\$280), limited to the city-pair airfare cost to Ft. Belvoir (\$320).
