

Monetary Allowance in Lieu of Transportation (MALT) for Permanent Duty Travel - Traveling by Privately Owned Vehicle (POV) (JTR, par. 050203)

Scenario: Two Service Members Traveling in One POV

Two Service members married to each other and their dependents, aged 4 and 14 years, travel for a PCS, departing the old permanent duty station (PDS) in Tampa, Florida, and arriving at the new PDS in St. Louis, Missouri. They travel in a POV (car). The official distance between the two authorized points is 1,010 miles, and the monetary allowance in lieu of transportation (MALT) rate is 17 cents per mile. The Standard CONUS per diem rate is \$96 for lodging and \$55 for Meals and Incidental Expenses (M&IE). Both Service members receive 100 percent of the per diem rate. The 14 year-old dependent is authorized 75 percent of the Service member's payment because the child is over 12 years old. The 4 year-old dependent is authorized 50 percent of the Service member's payment because the child is under 12 years old.
