Computing Per Diem with Leave and Non-Workdays
Traveler Departs the PDS Prior to the First Day of Scheduled Travel

Note: Rates used in these examples may not be current and are for illustrative purposes only.

Scenario: A civilian employee is required to attend a conference that starts at 0800 on Monday, September 12. The traveler is authorized to depart the PDS on Friday, September 9 (a work day), to travel to a TDY location in the CONUS, arriving on the same day. The locality per diem rate for the TDY location is \$135 (\$88/47). September 10 & 11 are non-workdays (weekend). The civilian employee performs duty at the TDY location for 3 full days, September 12-14. He or she departs the TDY location and returns to the PDS on September 15. Per diem is not authorized under any of the following circumstances:

- When a civilian employee returns to a PDS or place of abode on a non-workday.
- For more than 2 non-workdays if leave is taken for all workdays between the non-workdays.
- For a non-workday when leave is taken for the whole workday before and the whole workday following the non-workday.
